

Occupational Health and Safety Policy Statement

Baker Engineering is committed to achieving **EXCELLENT RESULTS** in our **OH&S PERFORMANCE** at our workplace.

Our Commitment to **OH&S WOULD NOT BE COMPROMISED** to achieve other business objectives, just like the way we manage Quality, Cost & Schedule.

Baker Engineering is committed to ensure **TOTAL COMPLIANCE TO OH&S LEGAL REQUIREMENTS**.

Maintaining a safe and healthy work environment is not just an idea, it is a **TOP PRIORITY**.

Baker Engineering will ensure that all relevant stakeholders will undergo **APPROPRIATE SAFETY TRAINING** to equip them in performing their task.

Baker Engineering is committed in providing appropriate and necessary resources for **CONTINUOUS IMPROVEMENT TO THE PERFORMANCE OF OH&S**, effectively and efficiently, to meet the changing business and regulatory requirements.

Baker Engineering is committed to **ALWAYS BE PROACTIVE** in identifying existing and potential OH&S Hazards and work towards eliminating and/or mitigating the impact of hazards.

RESPONSIBILITY for OH&S falls on everyone in the workplace which includes Top Management, Employees, Customers, Contractors, Visitors and Vendors.

Everyone in our shipyards must **ADOPT** a **SAFE WORKING ATTITUDE** at all times.

Baker Engineering strongly believes that everyone must complete a day's work in our shipyards in a safe and healthy environment and return home safely to their loved ones at the end of each work day.
