

Environmental Policy Statement

Baker Engineering Pte. Ltd. designs and builds mobile offshore units and critical equipment/components for the offshore marine industry and is set up to focus on design, engineering, project development and construction of mobile offshore units for the offshore marine industry.

We are committed to protect the environment and minimizing the impact of its activities on the environment. The key points of its strategy to achieve this are: -

- Comply with applicable legal requirements and other requirements to which the Company subscribes which relate to its environmental aspects
- Prevent pollution, minimise waste by evaluating operations and ensuring they are as efficient as possible
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner
- Encourage environmental protection among customers and suppliers.

Baker Engineering Pte. Ltd. Is committed to continually improve its environmental performance.
